

**April 7, 2018**

**The USBC Board will always consider and review any specific concerns brought forward by our members or staff about our policies, governance and transparency.**

**The USBC Board unanimously affirms the current direction of the organization and fully supports our USBC staff.**

**The Board also wants to confirm that many checks and balances exist within USBC's governance structure and policy to ensure no group or individual have undue influence.**

**Our Board is made up of diverse stakeholders with backgrounds including association leaders, Team USA athletes, professional athletes, proprietors, recreational bowlers, youth leaders, pro shop operators and professionals outside the industry. The USBC Board takes its responsibility to safeguard and provide oversight for the organization very seriously.**

**Sincerely,**

**The USBC Board of Directors**
