2021-2022 Season Changes

We have made some changes to our schedule for this season. The Ebonite Winter Classic has been scheduled for January 8 & 9 rather than the end of February. Waterloo is hosting the Open Iowa State Tournament in 2022 beginning the first weekend in February which necessitated moving the tournament to an open weekend in January for this season. This date change also required shifting the date of our January tournament, the Plaza Bowl Open, to the first weekend in February.

Along with these changes, due to the partial loss of funding received from both the Waterloo Convention & Visitors Bureau and the Dubuque Regional Sports Commission some other changes were necessary. We appreciate the support from both of these groups, however due to reduced hotel/motel tax revenues in 2020 for both cities, their budgets for this year have been reduced. To offset the lost funds, we have chosen a couple of options that will allow us to maintain our prize funds at a similar level as they have been in the past. For the 11thFrame.com Open, we are increasing the entry fee from \$150.00 to \$160.00 with hopes that this will be a one year change as long as funding from Dubuque Regional Sports Commission returns to past levels next year. Also, for this season only, we will eliminate the bonus prize fund that has normally been paid out at the Ebonite Winter Classic tournament to bowlers who bowled at least 3 or 4 of our previous events during the season. That money will instead be used to supplement prize funds in our tournaments throughout the season including both of the Ebonite sponsored major tournaments.
