319-234-6888 **Final Point Event**

The GIBA charges a \$10.00 annual membership fee.

We have made a change to the eligibility for the final points event. All bowlers will be allowed to enter this tournament. Only members who have bowled at least 4 of our previous events will be eligible for a special supplemental prize fund from left over membership fees, bracket proceeds from prior tournaments, and sponsor dollars. The entry fee to participate in the special prize fund will be \$20.00. Members who have bowled in 3 of our prior tournaments may pay an entry fee of \$75.00 to participate and bowl for the supplemental prize fund. The supplemental prize fund will pay back at a ratio of at least 1:3 based on the standings from the final points tournament.

This change is being made to reward those members who have supported our tournaments throughout the season. The supplemental prize fund should be at least \$2000.00 based on prior years money added to the prize fund for the final point tournament. If you have any questions regarding this arrangement, please feel free to ask and I will do my best to explain in further detail.

We also made another change to our points calculation. The final two tournaments from the 2016-17 season, The GIBA Doubles and the Triple Elimination held in Muscatine will count as point events for the 2017-18 season.

The location for our second Fusion Realtors/Community 1<sup>st</sup> National Bank Open is currently listed as Cadillac Lanes. The final decision on location has not been determined pending further discussion. The ownership group from Maple Lanes, Fran & Rich Eighme, and Zach Beschorner have purchased Cadillac Lanes as well, and remodeling work is being done at Cadillac. They will end up with 36 lanes, and updates to the facility are in the works.

Please note, a change is being implemented in the Saturday qualifying for both Fusion Realtors/Community 1<sup>st</sup> National Bank Open tournaments. The qualifying block on Saturday will now be 6 games. This change is being made to help ensure that qualifying squads can be started on time. The Sunday cashers round will remain a 6 game block.
